22 MAY 1952

MEMORANDUM TO: Deputy Director/Intelligence
FROM : Executive Secretary, EIC
SUBJECT : EIC Survey of US Government Intelligence Research
on the Chinese Communist Economy

1. Enclosed is a copy of the survey conducted by the EIC of Government Research on the Chinese Communist Economy. This survey was undertaken by the EIC at the request of ONE to determine the extent of research in the Government on this area. The Executive Secretary, EIC, will work with members of ONE in preparing recommendations on the critical deficiencies pointed up by this survey.

2. The statements of agency research programs have been approved through the EIC by the IAC agencies and by the non-IAC agencies specifically mentioned in the Survey.
